Needless to say, just in case you didn't receive my e-mail from yesterday, one thing I mentioned was that I checked with my son and he indicated that if I sent information in a packet I'd be able to open up access to information on the other branches of my family (Germans) I do not want on this web site. So, unfortunately, we may just have to continue this way. I don't want to bog you down too much, though, so if you let me know how much time you can spend/how often trying to get the information in, then I can determine how much to send you at a time.

First, going back to the family of John Bosanko / Susanna Sems (not to be confused with my direct line [lol]):

I just looked again at the page for John and Susanna Sems. Again, I have had this same information for years, except you need to make the following additions. The changes below come from the 1981 Census and from Cornwall Historical Society. The changes are:

1. I have down the marriage as 25 Aug. 1823 (although I do not remember where I got that exact date from - I would have to go back and check further). Also Susanna's name was also spelled Susannah.

2. I have down the family Thomas B. 13 May 1838 (with - I have his wife's name as Sarah's [although I do not have a

Subject: Re[6]: BOSANKO

I sent you an e-mail yesterday from my other place of work, but I wasn't sure if you would receive it. A lot of the law firms I work for have Internet blocked so you cannot get in or out -- law firm security -- they don't want any computer viruses on their equipment. I had to come into Bronson to do some work for an attorney tonight (it is about 8:45 p.m. Sunday night here in Los Angeles) and saw your message. I also saw the one from Kay. The information Kay says she received from the Cornwall Historical Society is exactly the same information I received. Likewise, the information you set out about the census (1871 & 1881) is information which I already had.

What I am hoping is that you can get all the Bosanko information on your web site so there won't be all this duplication and instead of 3 or 4 people checking what has already been checked and wasting a lot of everyone's time and money, what hasn't been checked then can be done.

Needless to say, just in case you didn't receive my e-mail from yesterday, one thing I mentioned was that I checked with my son and he indicated that if I sent information in a gedcom file it would open up access to information on the other branches of my family (Germans) I do not want on this web site. So, unfortunately, we may just have to continue this way. I don't want to bogg you down too much, though, so if you let me know how much time you can spend/how often trying to get the information in, then I can determine how much to send you at a time.

First, going back to the family of **John Bosanko / Susanna Sems** (not be be confused with my direct line [joke]):

I just looked again at the page for John and Susanna Sems. Again, I have had this same information for years, except you need to make the following additions. The changes below come from the **1861 Census** and I believe I wrote down some from the Marriage information I received from Cornwall Historical Society. The changes are:

1. I have down the marriage as **25 Aug 1823** (although I do not remember where I got that exact date from -- I would have to go back and check further). Also Susanna's name was also spelled Susannah.
2. The fourth child under this family: **Thomas, b. 18 May 1828** -- I have his wife's name as **Mahala Martin** (although I do not have a

marriage date).

3. The sixth child -- **James Sems Bosanko** -- wife: **Grace (b. 1834)** -- I do not have down a maiden name. I also have a marriage date of 17 April 1882, Bolenoe, Camborne, Troon Parish, Treslothan Church.

4. The seventh child -- you have down as **Bosanko, H(?)** -- from the 1860 Census I have down a **William** that would have been born in 1836.

The above was one of my "dead end" files that I wrote down information for if I saw it along with what I was specifically looking for so I'm not 100% about the accuracy. However, I would not have written this down if I hadn't been fairly certain at the time that the information was correct. I believe that is all the additional information I have on the John Bosanko / Susanna Sems family.

I'll send you more on my direct line later -- have to get to work for now.

Just got up & saw your e-mail. I appreciate the proof reading, sometimes you miss those things when you read your own work. I changed Mariam to the right Miriam. It is not hard to change, so any corrections can be done quickly. If you could send your data gedcom it would really help as I would not have to retype it, and as we both know that is where a lot of my errors come in. Just keep sending me correction. The information on the Morman was very interesting. Thank you for sharing it with me. It gives me a better understanding of their information.

addresses of the record custodians, and some brief remarks relating mainly to the completeness and time period of the records. Everyone doing American research would do well to secure this valuable tool and use it. Another book I would recommend is Thomas Jay Kemp's *Vital Records Handbook* (Baltimore: Genealogical Publishing Co., 1988). This provides addresses of vital records offices, starting dates of the records, fees, and copies of application forms.

B. Before State-Wide Registration

Locating extant vital records in any state or registration area prior to the adoption of state-wide registration laws is usually a more difficult task. There were many differences in custom and practice even within the same state. Some places kept records very early; others kept no records at all until required to do so by state statute.

The most exhaustive attempt to compile a list of available vital records in the U.S. was made by the federal government's Works Projects Administration (WPA) as part of the Historical Records Survey projects in the late 1930s and early 1940s. Forty states participated in this program. The participants included all states *except* Alaska (not then a state), Connecticut, Delaware, Hawaii (not then a state), Maine, Maryland, Ohio, Pennsylvania, South Carolina, and Vermont. Each participating state published, as a result of the project, inventories or guides to the vital statistics records available for various counties, cities, and towns within its boundaries and told where and how they were filed. A "WPA List of Vital Statistical Records" issued in 1943 shows the publications for each of the participating states.

Copies of these inventories are available at various larger libraries and historical societies, especially in the states concerned. A list of the several inventories, including guides to inventories of church records (see chapter 20), follows:

ALABAMA:

"Guide to Public Vital Statistics Records in Alabama: Preliminary Edition." March 1942.

"Guide to Vital Statistics Records in Alabama: Church Archives." May 1942.

THIS WEEK'S WORK

Name: _____
 Week 18: Jan. 4 to 8, 1993
 Topic: Independent Projects

Work times this week:
 Tues. 1:45 to 2:45 Thurs. 1:45 to 2:45
 Wed. 1:45 to 2:45 Fri. 9:15 to 10:30

Information about the week:

We'll be spending the next five weeks on one of my favorite units of the year! It's time for IPs to begin. This week, we'll talk about the timeline, choose a topic, write a thesis statement, and write questions to guide our research.

During our IP unit we'll make two trips to the library. Our first one will be this Wednesday. Next Wednesday we'll go again. We highly encourage you to do your monthly book review on a book that relates to your IP. Our first book review of the new year is due in four weeks.

As we begin a new year people all over the country are setting goals or resolutions for the new year. What new year's resolutions have you set for yourself? Monday's journal writing will have to do with resolutions.

THANKS

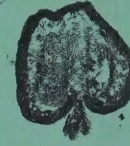

Thank you, Lizzie Aldag and family, for providing us with such a wide variety of generous and tasty snacks.

WHAT'S UP?

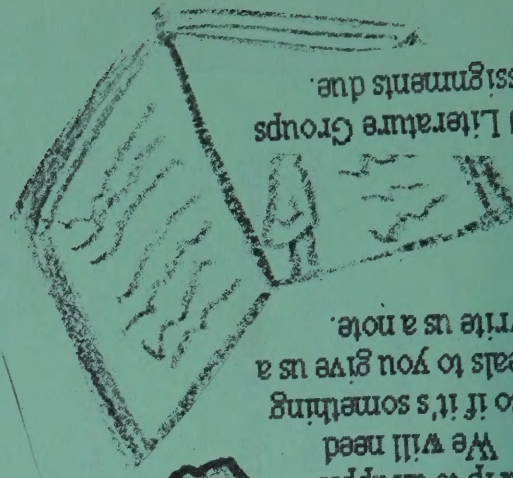

We've begun our unit on botany. It was kicked off with a rainy hike through Curtis Prairie at the Arboretum on Monday. Thank you, Betty Scholin, for driving. We've gathered a number of seeds for some beautiful prairie plants. Can your nomads remember any of the names?

In writing workshop we have begun to talk to each other (confer) in helpful and critical ways to provide feedback for improving our writing. Check out our experience stories!

COMING UP:

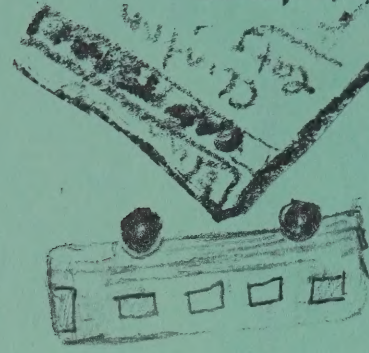

On Monday, October 18, we are taking a trip to an apple orchard. We will need drivers so if it's something that appeals to you give us a call or write us a note.

Tuesday -- 11:00 Literature Groups meet; assignments due.

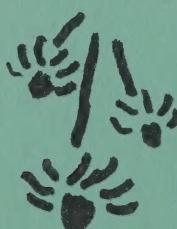

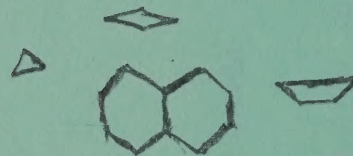

Wednesday -- Students will need their bus passes and library cards for our trip to the library.

We would like to begin to plan our class newspaper soon. If anyone has the time, background and/or inclination to be part of this project please let Lisa or Mary know.

Folks welcomed a new addition to our classroom this week. "It" is our pet, a very docile creature who seems to be a bit shy. I'm sure it will "grow" to be an important part of our community. Groups taught each other about the various nomads of the world that they studied last week. Working together in small groups to gather, organize and present information proved to be a challenging task. We will continue to work on clear and thorough presentation of information as the year progresses.

Our work in math is focused on patterns. Groups have been working on geometry and symmetry in preparation for designing and constructing our own Escher-like tessellations.

News and Thanks News and Thanks News and Thanks

Thanks to Nat and family for the great snacks and to Ben W. for his birthday treat on Tuesday!

Thanks to Jim and Matt Harrison for all the cardboard tubes. We've created many wonderful didgeridoos from them.

Thanks to Marena Kehl and Sara for sharing their aboriginal art with us. It was great to experience!

Remember to bring in four (4) stamps next week if you have not done so already.

The deadline for October book orders (sent home last Friday) is extended to Wed, Oct. 14.

Please make this change to your October Wingra calendar. Our next trip to the downtown library and to the voting machines at the City County Building has been changed from Thursday, October 29 to Wednesday, October 28.

Sharing At Home Sharing At Home Sharing At Home

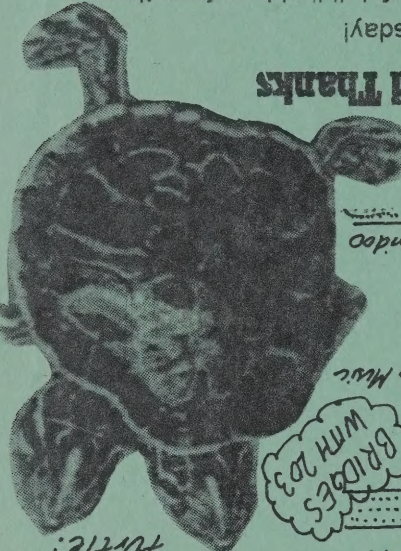

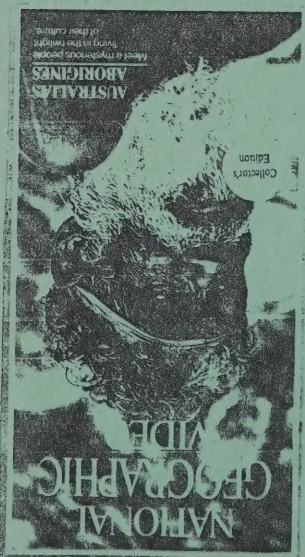

This week we were puzzled by several paper puzzles. Show a couple of these to people at home. Can they recreate them?

Tuesday we watched a video tape that described the aborigines of Australia. What did you learn about their culture?

How are they similar to native North Americans and Incas? How are they unique?

Wednesday we heard the myth of how the didgeridoo was given to the aboriginal people. Share this myth with the people at home. How did you design your didgeridoo?

Thursday's music time with Anne was spent adding movement and sound to an aboriginal myth chosen by your group. Tell the myth to people at home. What sounds and movement did your group include?

Dear Parents:

We are ready to begin organizing summer and permanent care for our eight classroom hamsters.

We would like the two adult hamsters to return to Wingra in the fall and hope to find permanent homes for all six of the babies.

Each adult would come with a cage, wheel, ~~water~~ bottle, and summer food (about a week's supply). Babies would come with only food. You must provide the rest.

Hamsters, as we learned this week, enjoy lots of handling, especially in the evening. For the most part all eight are untame and will need to bond with people slowly. We have found many good books on hamsters; we will return these books to the library so that you can educate yourselves on their specific needs. Hamsters also need lots of exercise and a safe place away from other household pets.

Checklist

Before you get your hamster you will need

- a food dish
- a gravity-flow water bottle
- litter (sawdust, peat, cat litter)
- bedding (hay, shredded vegetable parchment)
- enough food for the first week
- a container in which to carry the pet home

Each day

- Change the water
- Feed the hamster every evening
- Remove damp and soiled litter from cage
- Remove spoiled fresh food from the hoard
- Check that the hamster is lively and healthy

Each week

- Clean the cage completely
- Check that you have enough supplies of food, litter and bedding, and stock up if necessary

When necessary

- Prepare the hamster for showing
- Buy a show cage and carrying box

John S. Williams

1820 - 1900

From *Commemorative Biographical Record of the Counties of Rock, Green, Grant, Iowa and Lafayette, Wisconsin*, publ. 1901 - page 384-385

JOHN S. WILLIAMS

JOHN S. WILLIAMS (deceased) was for many years an honorable and industrious farmer in Grant county, and is well remembered in the town of Hazel Green as a thoroughly upright and public-spirited man.

Mr. WILLIAMS was born in **Cornwall**, England, in April, 1820, where he received a fair education, and remained until after he reached his majority. While still living in England he married Miss Susan **Bosanco**, and she accompanied him to Wisconsin, whither he came many years ago, very early in the history of Grant county,

engaging in lead mining for some years. In 1850 he crossed the Plains to the gold fields of California, and spent some three years in the mines. Coming back to Wisconsin, he settled on a farm three miles west of Hazel Green, and at that home Mrs. WILLIAMS died, leaving eleven children who lived to reach mature age: (1) Susan, born in Grant county, in 1846, is now the wife of Frank LIGHTCAP, of Winnipeg, Canada. (2) Honor, born in April, 1848, married Joseph THOMAS, of Shellsburg, Wis. (3) Hannah, born in 1850, married James D. ROGERS, of Smelser. (4) John, born in 1852, married Miss Nettie JELLETT, of Hazel Green, lives in Platteville, and is the father of four children, Hattie, Vivian, Raymond, and Irene. (5) Urias, born in January, 1856, married and settled in Sioux Falls, S. Dak., and is the father of two children, Irene and Warner. (6) William, born in February, 1859, married Miss Sallie PRICE, of Galena, Ill., and lives in South Dakota; he is the father of one daughter, Elsie. (7) Sarah, born in May, 1861, married Thomas MANN, and lives in Sutherland, Iowa, where she is rearing her family of children. (8) Mary, born in February, 1864, married Rev. Richard BROWN, and lives in Minneapolis. They have one daughter, Joie. (9) Grant, born in April, 1866, married, and lives in LeMars, Iowa. (10) Alfred, born in October, 1868, married Miss Naomi JEWELL, of Hazel Green, where he is living. (11) Thomas A., born in September, 1870, is married, and lives near Sibley, Iowa, where he is engaged in farming.

John S. WILLIAMS and Miss Elizabeth COOMBE were married in January, 1887. Mrs. WILLIAMS was the daughter of William and Elizabeth COOMBE, old and prominent pioneers of Grant county, who came from England at a very early day, settling in the town of Hazel Green. Here Mrs. WILLIAMS received her education, in the public schools, and here she grew to womanhood. After their marriage Mr. and Mrs. WILLIAMS lived on a farm some two years, and then purchased the Edward THOMPSON home, in the village of Hazel Green in which house Mr. WILLIAMS spent the remaining years of his life, dying April 23, 1900. There were no children by the second marriage. There were no children by the second marriage. Mr. and Mrs. WILLIAMS were both members of the Methodist Church, which received a liberal support from the family, and he was one of the officers of the church for many years. In politics he was ever an ardent Republican, and had always taken an active part in local affairs.

Mr. WILLIAMS began life in this country a poor man, and by long and unflagging industry, and wise management became quite prosperous. He was a good man, and left a wide circle of friends. Mrs. WILLIAMS is a lady much respected for her many virtues, and much of her time is spent in unostentatious charity and genuine Christian work.

Subject: Bosanko [additional others]

Kay,

My previous e-mail was getting too long, so I thought I would put the following in another one. I thought you could also put the information out to the List. I found this information when I got out the John/Grace Whennen file.

In 1966 my sister wrote to the Parish in Illogan for information on Bosankos. I'm not sure exactly what information she asked for, however, the following information was sent to my sister in a letter from The Rev. John H. Potter, **The Rectory, Illogan, Redruth, Cornwall, England**. Below I have typed the information as it was sent in the letter to my sister:

An entry in the Marriage Registers shows

6th February 1859 Samuel Bosanko, aged 32, widower, engineer, of Bowling Green, son of John Bosanko, miner married Elizabeth Richards, 31, spinster, of Bowling Green, daughter of Richard Richards (deceased). Witnesses were James Williams & Mary Ann Williams & ceremony conducted by the Revd T.P. Andrews, curate.

*son of John
Susannah
Sams.*

Baptismal, marriage, & burial registers were all searched for the years 1845-1859 in each case.

→ Baptismal Registers. The only entry in these years is **Thomas, son of James & Mary Ann BESANKO of Pool was baptised 7 August 1859.**

Burial Registers. The only entries in these 15 yrs. were:

Nattho
Jane BESANKO of Redruth buried 26/Jan/1853

Grace Bosanko of Carnkye buried 14/June/1858

1st wife of Samuel

(Carnkye -- or Carnkie -- is very near Bowling Green.

Indeed the modern address of Bowling Green is Bowling Green, Carnkie, Redruth).

Marriage Registers in these years:

1. John Williams (full age, miner of Higher side) m. Susannah Bosanko

1/22/99

*son of John & Susan
Sams*

how you the world change?

CHEMISTRY is a science that deals with matter and the ways matter changes. **MATTER** is the stuff and substance of the universe. There is living matter, such as animals and plants; nonliving matter, such as salt and plastic; and dead matter, such as food and last year's leaves. Matter, to a scientist, is anything that takes up space (**VOLUME**) and has weight (**MASS**). The nature of matter is the subject of chemistry.

From Chemically Active, by Vicki Cobb

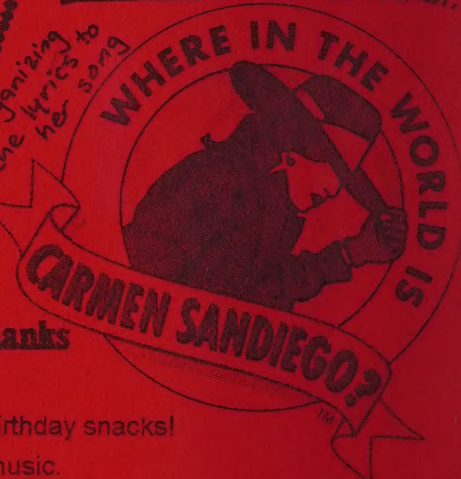

We began experimenting with the properties of matter. Each day we'll add to our webbing.

We began organizing our collection.

We would appreciate your sending any supplies for this gala event. These have been popular costume-building materials in the past: egg cartons, tubes, pipe cleaners, crepe paper (esp. orange and black), tape, odd shaped containers. Thanks for your help!
- We will combine our monthly library trip next Wednesday with a tour of a voting machine at the City/County Building. Please bring any library books that need to be returned to school that day.

Subject: BOSANKO research

Hello,

I am researching the Samuel Bosanko who married Grace Jenkin in 1849, and am hoping this email address for you is still current. I note that on your web page you show a specific death date of 14 Jun 1858 for Grace, and I wondered if this means you might have a copy of her death certificate?

I believe Grace to be the sister of my ancestor, William Jenkin, hence the daughter of (yet another) William Jenkin and his first wife, Mary Ann Vincent. I believe Grace and Samuel Bosanko married in the quarter ending March 1849, although I do not have a copy of the actual marriage certificate.

Grace appears in Piece in 1841 in the household of her father, William, and his second wife, Margaret Beagleall (Beaglehole) of Helston. Grace's father died in Illogan in 1854 at the age of 58, and the informant was Samuel Besanko, resident of Carnbrea, who was "in attendance" at this death. This is consistent with the 1851 Carnbrea, Illogan, enumeration of Grace and Samuel and their daughter Susan Ann.

I hope to hear from you regarding the possible connection.

Dear Ms. Fayth. Thank you for your reply. Yes, I have information on her birth. Her full name was Florence Mary Carne Bosanko, born the 10 of October of 1894 in Redruth Cornwall, daughter of William Carne and Elizabeth Bosanko. William Carne died Mexico May 31st of 1929. Elizabeth Bosanko I do not have any reference. Siblings to Florence Mary was to my knowledge only one named Morley Carne Bosanko. Is there any reference to any of them of their birth? Thank you again. Fred.

Fayth,

Sorry I'm so late in replying to your e-mail, but I was tied up with an injury. Not much of an excuse, no matter how you look at it.

My wife has Bosanko, Carne and Michell in her family, that is 3 different families. Her g grandmother was **Eliazbeth Bosanko, married William Body Carne**, they had four children. **Florence Mary, Morley, Lillian, and Willy**(who they say ran away, may have joined the British Army, but never heard from again.) **Lillian Carne m. William E. Michell, Jan. 19, 1901 in Pachuca, Mexico.**

They had 3 children. **Leonard, Lillian and Ruth**, Ruth is my wifes mother. We have an obit for William E. Michell d. Dec. 6 1934, in Ixtlan del Rio, Nayarit, Mexico. William E. and Lillian Michell were my wifes grandparents.

We have been to Cornwall 4 times, have met quite a few Bosanko cousins. We have many names of the Bosanko family. If you are interested, can pass them on to you. We have't been able to find out much about the Carne, and Michell families. My wife has 2 cousins,(sons of Leonard Michell) that she has lost contact with, William and Edward Michell.

My wifes father was Sydney G. Jenkin, of Redruth. Do you have any info on the Jenkin family. All mining people.

Hope we have helped you. Maybe you can assist us.

Can you give us your location, we are in Deer Park, Tx.

Regards,

Allie and Elizabeth Ashworth

Children of William Charles Bosanko

A Real Jewel.

Miss Allie Jewell left last night for Sioux Falls, taking with her two children, and intending to pick up three more at Sturgis. The two she took with her were Florence Elmond, aged fourteen years, and a six-months' old baby. The children at Sturgis are the Bosanko children, who have been in the convent there. They are Susie, William and Samuel, aged seven, nine and twelve years. All five of the children are from Lead.

Already the little destitute children of the state are beginning to feel the effects of McKinley's election. Harris Franklin, out of the goodness of heart, gave fifty dollars of his election money to the home. It was a voluntary offering and was therefore especially appreciated by Miss Jewell. Paul Bowman followed the good example with an offering of ten dollars.—Pioneer-Times.

Already the little daughter children

felt all out of the goodness of heart.
For the dollars of the election money

Irene Christina Wolff Bosanko was born January 18, 1927, at Craven, South Dakota. She was the daughter of John G. and Christina (Reich) Wolff. She was married to Norman Neil Bosanko on August 26, 1951, at St. Luke's Hospital, Craven, South Dakota. She died October 27, 1993, at Powell, South Dakota.

Irene was a very active and energetic woman. She was a member of the Zion Lutheran Church in Craven and the Women of the Evangelical Lutheran Church in America. She enjoyed sewing, embroidery, gardening and having pheasants, ducks and geese. She had a wonderful sense of humor and was an excellent cook. She and her husband enjoyed traveling, and family time was always very precious to her. She was a member of Zion Lutheran Church in Craven and Women of the Evangelical Lutheran Church in America. Her sisters include her husband of Craven, two daughters, Joyce D. (York) Doolittle of Emmetsburg, IA and Joan Oster of Duluth, MN, one son, Len Dale Oster of Craven, one brother, John G. Wolff, Jr. of Tabor, SD, one sister, Ann M. (Norman) Paul of Huron, SD, and two grandchildren, Tim Burke and Tracy Burke. She was preceded in death by her parents, two sisters, Esther Wolff in infancy and Irene Bosanko (Irene Christina Wolff) Bosanko and two brothers, Elmer Wolff and Leonard Wolff. Her many grandchildren were her grandchildren, Tim Burke and Tracy Burke and all of her friends. Her grandchildren were Richard Wolff of Lewis, Bradley Paul of Crookston, SD, Gary Bosanko of Ipswich and Cheryl Oster, Elmer Harr and Evelyn Duck, all of Craven. The funeral was held at Lapp, and there was a eulogy by Richard and Gary Lapp.

Linda's Note: I'm confused as to why Gary Bosanko (Irene's brother in law) was the eulogist, instead of her husband Norman Neil Bosanko, unless I have the family records incorrect.

PUC Hearing Opens on S-P Withdrawal Request

Reasons why the Southern Pacific Co. believes it should be granted permission to withdraw its railroad agent from Brownsville were presented during the PUC hearing in the City Hall here, all day Tuesday and Wednesday, into the afternoon.

The petitioner finally rested its case—after each witness was questioned at length by the attorneys representing the SP, the PUC and the City of Brownsville—Wednesday afternoon, and opposing testimony was started to show why withdrawal of the agent is not in the best interests of this community.

Conducting the hearing is Lou Greenburg, PUC examiner. Oglesby H. Young, Portland attorney, is representing the railroad, and William J. Whitney, assistant attorney general, the PUC. C. W. Ferguson, transportation specialist from Salem, is presenting the City's case on special retainer, assisted by City Attorney Ross McCormick.

First witness was Alden W. Kilborn of Portland, division superintendent, who told of streamlining moves the railroad has been making to reduce operating costs and at the same time improve service to shippers and communities.

He declared that elimination of small "non-paying" agencies such as Brownsville is part of this overall program.

During cross examination, he admitted that similar plans are developing for the agencies at Halsey and Junction City.

He asserted, as did other railroad witnesses, that better service can be given local shippers out of Springfield or other larger centers.

Kenneth BoSanko of San Francisco, transportation analyst for the railroad, submitted several sheets of figures analyzing the business handled through the Brownsville agency.

It showed 835 carloads handled (751 out and 134 in) during 1957; 812 cars (709 out and 103 in) during 1958, and 684 (624 out and 61 in) during the first 8 months of 1959.

He testified that revenues for Brownsville grossed \$302,089 in 1957; \$285,376 in 1958 and \$247,152 during 1959 (8 months).

However, he also admitted that these figures were for that portion of freights accruing to Southern Pacific, and NOT the total freight collected. Also, it did not include shipments in and out of Plainview, Rowland and other points supervised out of Brownsville's agency.

Paul Carbon of Salem, district freight and passenger agent, explained that there are now between 40 and 50 non-agency sta-

tions in this area, mentioning Tangent, Shedd and Mill City, and claimed they receive as good service as with local agents.

John Hunter of Portland, assistant trainmaster, told of a study he made from Nov. 9 to 14, and declared on the basis of that survey, he had determined the local agent is working about one hour a day.

Under cross examination he admitted the work load would be substantially heavier during the summer season when heavy seed shipments are made.

A representative of the telegraphers' union stated his organization was against such closures unless it was clearly demonstrated that there is not sufficient business. He said that in such instances, his union does not testify in opposition to withdrawal of an agent.

OPPOSE

Ed Poland, president of the Chamber of Commerce, testified first in opposition. He reported the Chamber had unanimously adopted a resolution opposing the proposed withdrawal of the agent, and that he should be the official representative of the Chamber at the hearing.

He said he had found a local definite benefit when he used to ship seed.

Other witnesses for the opposition were Don Craw, local Standard Oil Co. distributor, Merle Manning and Charles Wheeler, large growers and shippers of seed crops.

All testified that the local agent was a benefit to them in their operations. Craw said he would be handicapped without such local service, and that most of his shipments come by tanker cars on the railroad.

Additional witnesses will be called by the city and the PUC tomorrow before the hearing closes, probably later in the day.

SCOUTS TO MEET

There will be a Boy Scout meeting at the Crawfordville grade school Thursday Dec. 17 at 7:30 p. m. (That's tonight).

A CRIME!

Some of the chintziest thieves going are making the rounds in Brownsville. We're referring to the definitely small-timers who are stealing light bulbs used in the Christmas decorations.

Thus far, decorative bulbs have been stolen from the Fire Hall decorations, the Big Tree at Main and Spaulding, and the tree Carl Carlsons have decorated in their yard.

Although there are other traces of his family, a daughter (Susie) and two sons (William and Samuel) identified in the Lead, Lawrence County, South Dakota 1890 Census, there is no trace of Mr. Bosanko. His wife had passed away prior to 1900, probably at Lead, S.D.

Christmas Time, 1985
800 So. Wells St., Apt. 1225
Chicago, Ill. 60607

Dear Family & Friends,

Please note our new address. We checked early with Santa Claus determining that there was no White Christmas in his bag for us in Menlo Park, but he could deliver snow in Chicago. So, we are ready for and are expecting snow, yes in Chicago.

Seriously, Ken was transferred to Chicago to work on the Santa Fe-Southern Pacific railroad merger, doing market planning work. We moved our things to a new two bedroom apartment in Chicago; being within walking distance to work is enjoyable. We have a nice open view from our apartment. New members of the family in the Chicago area, new friends, and new surroundings are real parts of our lives. We are also close to Roosevelt University which offers classes that Carol is interested in. We are excited about our new home and the opportunities available to us.

Carol has had an excellent year, with some travel, school and family experiences included in the highlights. Trips to Coeur D'Alene, Ida., for a family reunion, and family visits to Oregon, Washington, Iowa, Illinois and a brief trip to Scotland were all very rewarding. School challenges in Interpersonal Communications, Music Appreciation, and Orchestra all had real substance and meaning for Carol. Being with brothers and sisters, sons and a daughter, a grand-daughter and other family members, both in person and in other ways have been very rewarding. Carol is now looking forward to new friendships in the Chicago area.

Ken had a busy, rewarding year with lots of railroad merger work, that included many Washington, D.C., Chicago, etc., trips. Another business trip involved Korea and Japan. The opportunity to be with family in Idaho, Washington, Oregon, Iowa and Illinois, although briefly, in addition to California, was very rewarding. There were parenting chores which were both challenging and rewarding. Reading several novels, a little photography, and a few card games were very meaningful. Ken is excited about the new job, living in Chicago and the opportunities of 1986.

Bruce, our oldest son, lives in Salem, Oregon and works for a department store, and an apartment owner. He is hoping that 1986 will give him an opportunity in the electronics field.

Lynn, his wife Melody, and their daughter Laura Ann (almost 2 yrs. old) live in the Bay Area of Northern California. Lynn has had several jobs this year, and is looking forward to finding a place where his whole family can be together again. Would you believe that Laura Ann is the cutest grand-daughter in the whole world! (Well, our world anyway!) Melody is also busy with a job, a daughter and helping her parents, too.

Paul really grew up this year. That includes attaining a height of 6'2" and weighing more than 160 lbs. He had several jobs during the year, and then joined the U.S. Coast Guard in November. He is currently at Camp May, New Jersey in basic training. His interests continue to center in the entertainment world, and with some good friends. Paul has taken some big steps forward in 1985.

Susan is completing her senior year of high school at Monte Vista Christian Schools in Watsonville, California. Sports, Student Council, and college prospects are important in addition to family and friends. She spent Thanksgiving vacation with us in Chicago, and will be with us over Christmas vacation.

The Christmas Season of 1985 comes to us with much joy, expectation and warm appreciation for the significance of the season. We recognize that much of the meaning and joy which we are currently experiencing is the result of contributions which you have made; we thank you.

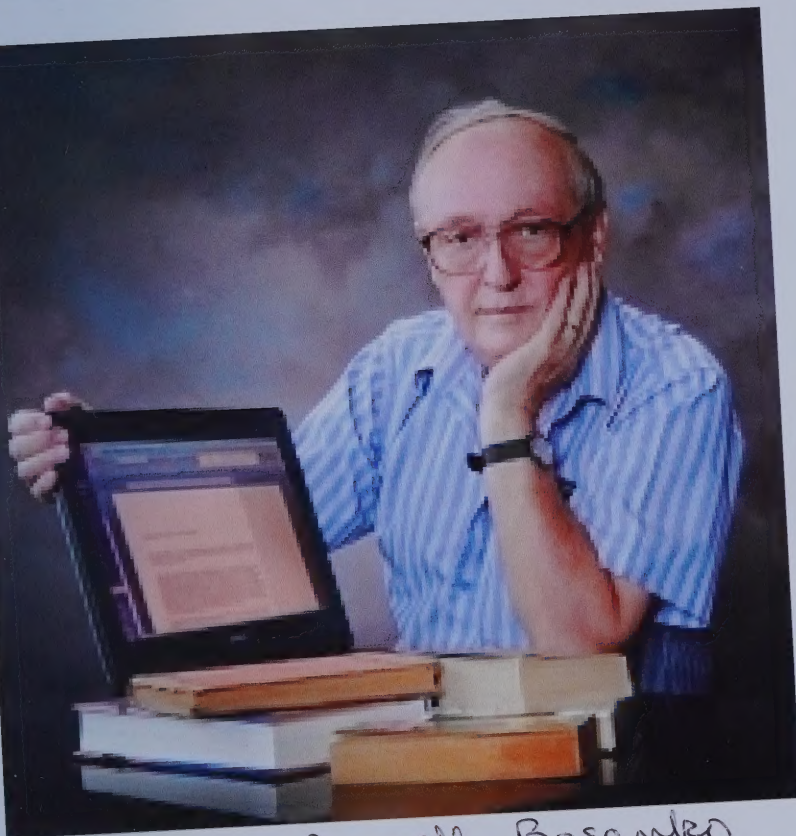

May this be a most joyful Christmas for you and your family, too.

In Christian Love,

Carol + Ken
